

Basin Street Brawlers concert in Grantchester: Saturday 3rd March

The acclaimed 1920/1930s style jazz ensemble from London is giving a concert just down the road in Grantchester. It is part of the ensemble's 'HALLS FOR ALL' 2018 Tour, which includes concerts at **the Royal Albert Hall** and other prestigious venues - the idea was that we wanted to reach audiences outside of the capital, and make use of some of the great village halls that are in operation throughout the country. The band have featured live on national radio (**BBC Radio 3**), are reviewed in **The Sunday Times**, and are acclaimed as '**London's top hot jazz ensemble**' (visitlondon.com).
